Jim and Janette Godfrey lived for 32 years and raised their two daughters in their home in Lancaster. Since Jim had served on a senior living community board and his father had received care there, the couple decided last year to start the process of finding a place for themselves to live in retirement. In October 2018, they decided to visit Landis Homes at the annual Explore Retirement Living open house.

“Right away we were impressed with the Crossings apartments, the bistro and the learning and wellness center, all of which were brand new,” said Jim. “Both the residents and employees were so friendly and we heard many good things about living here.”

They made an appointment shortly after the open house to find out more. To their surprise, seven months later they moved into Crossings West, the third and final phase of the new apartments.

“Once we made the decision, we felt a great deal of gratitude for the Lord’s blessing,” said Janette. “Our children told us after we made the decision, that they were very happy we had made this choice. As it turns out, we did it for ourselves and also for our family.”

When asked what advice they have for others who are considering a move, they both agreed that “planning ahead” is essential.

Residency Planning Director Sarah Short noted that while most of Landis Homes 875 residents are from Lancaster County, the Crossings apartments are home to people from a wide variety of states. These include Minnesota, Washington, Virginia, New York, North Carolina, South Carolina, Massachusetts and Connecticut as well as other parts of Pennsylvania.

“Though the Crossings apartments are now full,” says Sarah, “folks interested in future residency should give us a call.”

A History of Caring Marks a Milestone

One of the most heart-warming stories I get to share is that of Francis and Elsie Harvey. Twenty-five years ago, Francis and Elsie were inspired to advocate for a benevolent fund at Landis Homes. They saw how some of their friends and neighbors were outliving their financial resources due to unexpected health challenges, often near the end of their lives. They were grateful that these residents were not discharged but they also knew that this created a financial strain for Landis Homes.

The Harveys’ daughter, Doris Dickerson, shared that “Dad really cared for those in need. The difficulties of his own life made him sensitive to others.”

Francis & Elsie made the first contribution to establish the Caring Fund in January 1994. Thanks to their vision and the generosity of many of you who have contributed to the Caring Fund, over these years more than $8 million dollars has helped almost 1000 Landis Homes’ residents in their most vulnerable times.

From our beginning, this kind of love and generosity has grown and flourished in our community. Residents, team members and friends of Landis Homes exemplify these values every day.

Today, gifts to the Caring Fund come in many ways – a tribute gift in honor of someone who helped a neighbor, an in-kind donation of artwork, quilts, crafts or meals to be sold at the Fellowship Day Auction, or an estate gift designated to Landis Homes in a trust or will.

Francis and Elsie’s children continue their parents’ legacy of giving and inspiring others to give. I invite you to learn more by viewing a video of Francis and several of the family members. Simply scan the QR code below or view on YouTube at bit.ly/LHCaringFund. In the video, Francis says, “The Caring Fund is worthy of all our support and I recommend it to everyone.”

Thank you, Francis. I couldn’t agree more.

Horizons to Draw to a Close

In the fall of 1993, the Horizons newsletter was created to serve as a link for Landis Homes with an off-campus readership. Over those years, the circulation grew, as did multiple new ways to communicate with a growing audience of persons interested in Landis Homes.

The fall issue of 2019 is set to be the final issue of Horizons. Plans are underway to nurture and develop current and new methods of communicating with multiple audiences of Landis Homes and Landis Communities. Stay tuned…
Gearing up for Fellowship Day & Milestone Year for the Caring Fund

Every year, residents, family, team members and visitors flock to Landis Homes’ campus for Fellowship Day. This year is extra special because it is the 25th anniversary of the Caring Fund! Your participation in Fellowship Day contributes to the Caring Fund in a fun, and important way!

Becoming a patron is one more way of making Fellowship Day even more successful!

A patron gift can be directed in one of two ways:

1) Covering Auction Expenses

While businesses and corporate sponsors help to underwrite the largest expense of the big white tent, patron contributions are needed to cover the other event expenses for the smaller tents, sound equipment, tables, chairs and stage. The goal is to have all expenses covered so that every dollar raised on September 14 will go directly to the Caring Fund.

2) Encouraging Bids

Challenge bids, sometimes referred to as matching bids, spur others to bid generously. You can help create excitement by making a commitment to donate a specific amount for a carefully chosen item. After the auction, you will be notified of the sale price and if the item met the challenge bid. Your contribution will be welcomed at that time.

Thank you for using your talents and gifts to generously support Fellowship Day and help those who benefit from the Caring Fund. Your participation makes a difference!

To make a monetary gift, you may call with credit card information, make an online contribution at landishomes.org or send a check payable to Landis Homes, with “cover auction costs” in the memo, to Advancement Office, 1001 East Oregon Rd, Lititz, PA 17543. You will receive a charitable receipt for the full amount of the contribution. If received by August 23, donors will be listed as patrons in the Benefit Auction booklet unless we are notified of a request to be anonymous. Items for donation may be brought to the Advancement Office by August 9, Monday through Friday, 8:30 AM – 4:30 PM. For other arrangements, call (717) 509-5490 or email advancement@landishomes.org.

Join the Fill the Gap Challenge
You are invited to join the Fill the Gap Challenge on September 14th at 10:30 a.m. and 1:00 p.m., as we work together to fill the gap for residents in need of assistance. Despite the help of Medicaid and paying what they are able, this past year there was still a $171 gap per day to ensure needed and quality care.

- $1197 fills the gap for one week
- $513 fills the gap for three days
- $171 fills the gap for one day
- $86 fills the gap for ½ day

Two generous friends of Landis Homes are challenging us to not only reach, but surpass, the 2019 Fill the Gap goal of $52,000. One of the challenge gifts will be applied when our combined bidding reaches $25,000 and will launch us to $35,000. Another equal challenge gift will be given when we reach $42,000.

Please consider a Fill the Gap gift as part of Fellowship Day 2019. Thank You!

If you are unable to attend Fellowship Day on September 14, you can still be a part of this challenge by making a Fill the Gap gift online at landishomes.org, by sending a check with Fill the Gap in the memo line to Landis Homes, Advancement Office, 1001 East Oregon Rd, Lititz, PA, 17543 or by calling the Advancement Office at 717-509-5490 with credit card information.

The annual Service of Remembrance will be held on Thursday, October 3, 2019, at 7:00 p.m. in the West Bethany Chapel. The service includes music, prayers, scripture and words of comfort and assurance.

Specifically remembered during this time, are the Landis Homes residents and Landis Adult Day Services clients who have died during the prior year, September 2018 to August 2019. All are welcome to attend this service to remember loved ones, reflect and find consolation.
Another Successful Benefit Golf Tournament for Landis Adult Day Services

On June 7, 230 golfers, 38 sponsors, and 28 patrons raised net proceeds of over $56,000 for Landis Adult Day Services! This equals 777 days of care!

Another special milestone was reached when Bill Forrey, a volunteer who served 25 years as chair of the golf planning committee, was recognized for his service. Golfers and sponsors gave an extra $1,500 to Landis ADS in his honor which made him speechless!

“Your participation, whether it has been one year or all 28 years of the golf tournament, supports Adult Day Services and provides financial scholarships to eligible clients. Through this golf tournament, you have provided over ONE MILLION dollars of support and care to ADS clients in need. Thank you!” said Beth Trout, Vice President of Advancement & Communications.

The Golf Tournament brings together corporate sponsors, residents, volunteers, and team members to enhance the daily experience of clients in need.

Thank you for participating and enriching the lives of clients in Landis ADS through your gifts and your time!
Team Wins National Cyber Cycle Competition 2019

Congratulations to the Landis Homes team for winning the national “Rock the Clock” Cyber Cycle challenge, held June 23-29, by out-riding 116 other teams and over 900 other riders across the U.S. Twenty-six residents and twenty employees joined together to log a total time equivalent to 8 days, 9 hours, 27 minutes of cycling in the 7-day contest time period. All riding was performed on Cyber Cycles in the campus fitness center.

The battle stayed tight through to the end between the Landis Homes team and the 2018 winning team, Westminster-Canterbury on Chesapeake Bay from Virginia Beach, VA. Two especially dedicated residents awoke at 3:00 a.m. on Friday morning to see that on Thursday night, the other team had an overnight surge and were ahead by an hour. They both dressed and went immediately to the Fitness Center and rode through the rest of the night.

By Friday morning, the Landis Homes team was only 50 minutes ahead. Word spread quickly among the participating residents and staff, who came out in full force to win the contest with a 3 hour, 30 minute, 10 second lead. The team was especially grateful for three residents who each logged 24 hours of cycling during the week!

Landis Communities CEO Larry Zook said, “While the victory is sweet, the way our guiding value of Community was lived out through this event is what really came through!”

More info on the competition is at:

New Director of Risk Management Begins

Landis Communities recently hired Jennifer Sheckells as the Director of Risk Management and Compliance. In this new role, she will lead the development and management of policies across Landis Communities to ensure all entities are compliant with regulatory bodies and best practices. She will also coordinate programs such as risk management, compliance and support all employees of Landis Communities affiliates through education and serving as a resource for concerns related to safety, regulations, and quality care.

Sheckells, of Kennett Square, PA, has worked in many roles in her 25-year career including in administration at retirement communities and health centers. Since 2009, she worked as a Compliance Specialist for Friends Services Alliance in Blue Bell, PA. In that role she provided risk management and compliance services including on-site visits to many local retirement communities including Landis Homes.

Sheckells received her BA in liberal arts from Susquehanna University, Selinsgrove, PA. She holds licenses in Pennsylvania as a Nursing Home Administrator and as a Personal Care Home Administrator.

“I remember feeling so welcome when I visited Landis Homes as a part of the compliance mock surveys in healthcare and personal care,” says Sheckells. “I consider it an honor to serve the residents and team members in this role.”

Sheckells serves on the board of Luther House in Jennersville, PA and is a choir member and Sunday school teacher at her church, St. Michael Lutheran. When she is not working, Sheckells enjoys spending time with her two teenage sons.

She says, “Since I grew up in Philadelphia, I am an avid fan of Philadelphia teams.”
Art Reception Features
Local Painter

An art reception will be held in the Crossings Gallery on September 19 featuring Frank Morone, who uses oil paints to reflect the beauty of the natural world that surrounds him. Frank grew up in Queens, NY, and moved to Lancaster County in 1989 to work in wood manufacturing.

In younger years, Morone experimented with watercolor, pen and ink and even tried his hand at growing Bonsai. Now retired, he paints from his home studio in Lancaster. He loves to explore the natural world and tries to represent what he experiences in his artwork.

“I go into my paintings emotionally,” he says. “When I am painting a stream I can hear the water. When I am painting the woodlands, I can feel the breeze and smell the forest.”

This will be Morone’s first public showing in the Lancaster area. The current collection of artwork reflects what he sees as well as what he imagines.

“I don’t restrict my color palette,” he says. “I am free to add pink, purple, or whatever color, at will.”

The opening reception, to which the public is welcome, is planned from 6:00 to 8:00 p.m. on Thursday, September 19, in the Crossings Gallery located in the Calvin G. & Janet C. High Learning & Wellness Center.

The exhibit will continue to be on display through October 2019. For more information, visit landishomes.org or call 717-381-3550.
