Faith Hoover, Director of Adult Day Services at Landis Homes received the 2017 Distinguished Service Award as Manager of the Year at the LeadingAge PA annual conference in Hershey, PA, in June.

This award, according to LeadingAge PA is “presented to an outstanding mentor who has nurtured, coached, counseled and encouraged others in order to help them develop personally and professionally as an individual or as part of a team.”

Hoover, a registered nurse, has given leadership to the adult day services program since 1997. She gave direction as the program grew from serving 30 persons in one center, to serving up to 66 persons daily in two centers, one of which is dedicated to serving clients with memory loss.

“Faith Hoover is a strong leader with a longstanding reputation and expertise in the field of memory loss and memory care,” began the description of her in the LeadingAge PA awards program notes.

It went on to say how she gave leadership to the memory care center and the home care services program and that she continues to provide leadership for the monthly memory loss support group.

In the larger community, Hoover is a resource speaker on the topics of memory loss, community services and caregiving. She also serves as the central region representative for the board of the Pennsylvania Adult Day Services Association.

LeadingAge PA is a trade association representing Pennsylvania not-for-profit organizations, like Landis Homes, that provide housing, healthcare and community services primarily to older adults.

Hoover, along with friends, family and colleagues was hosted at a brunch following the award presentation, attended by other distinguished award winners from six additional categories.

“I was honored and humbled to receive this award,” said Hoover. “Serving with, and for wonderful people is my daily privilege.”
Expanding the Reach of Service

By President/CEO Larry Zook in conversation with Evon Bergey, Vice President of Community Initiatives

Landis Communities is part of Landis Communities. Together we provide an increasing range of Comforting Live at Home Services and Feel at Home Communities®. Recently I interviewed Evon Bergey, who serves as Vice President of Community Initiatives, about the ways Landis Communities is growing its mission of “Enriching Lives” for an increasing range of people throughout Lancaster County.

Landis Communities is working to expand its reach to those who do not have the resources or who choose not to live in retirement community settings. What are ways this is happening? Mountain View Terrace, an affiliate of Welsh Mountain Home, is Landis Communities first effort in providing homes for seniors who have limited income. Within a few months of opening, Mountain View Terrace was filled and there are a significant number of persons waiting for those apartments. Several additional opportunities are being investigated. We are working with HDC MidAtlantic, who manages Mountain View Terrace, and are excited about an effort taking shape in Millersville. Plans are being submitted for the development of 60 new high-quality affordable senior housing apartments funded primarily through Low Income Housing Tax Credits (LIHTC).

What is the timetable for this project? The application for funding will be submitted to Pennsylvania Housing Finance Agency in October. Since most applications are not awarded funding on the first application, a second cycle might be needed in September of 2018. A projected closing date would be in September 2019, with the building opening in early 2020. We have experienced partners working with us and are looking forward to this new effort.

Affordable Housing is one part of your work in Community Initiatives. Another part of your work is with Home and Community Based Services (HCBS). In what ways is Landis Communities already involved in HCBS? We have been involved in these efforts for a long time, beginning with Adult Day Services 28 years ago. When you add Landis at Home, Pathways Institute for LifeLong Learning® and the Children’s Learning Center, HCBS is a growing part of what we do. In fact, we are seeking team members for Landis at Home to help us grow our efforts in providing care wherever people choose to live!

Is anything else in the development stage? Yes! We are working with a variety of congregations, organizations and individuals who are thinking creatively with us about how to provide services and living opportunities clearly needed in this area. We also are doing strategic visioning work this Fall in the HCBS area. We ask for your prayers as we connect with these folks. We invite input and questions as we work on new models.
Learning & Wellness Center with Crossings Apartments

Construction of the Learning & Wellness Center with 22 Crossings apartments is on schedule for an end of March 2018 completion. By mid-July 2017, workers expect to finish erecting walls and setting joists on all floors, so the building is ready for roof trusses by the end of the month. In August, shingles go on the roof, protecting the building from rain allowing interior work to proceed.

The 22 Crossings apartments in Phase 1 have been reserved by individuals who joined the Priority Program. The Residency Planning team continues to accept refundable $2,000 priority deposits for 33 Phase 2a apartments scheduled for completion in the Fall of 2018 and 24 Phase 2b apartments planned for 2019. Those with priority deposits will have an opportunity to reserve Phase 2a apartments this summer, starting with the lowest priority number. To learn more about the new Crossings apartments, contact Sarah Short at sshort@landishomes.org or 717-381-3549.

Dula Selected for Student Art Award

Landis Homes recently announced Maya Dula as their 2017 Art Student Scholarship Award recipient. Dula, a Lancaster Mennonite High School senior, was chosen for her self-portrait painted in oils.

“This year we had a larger number of senior level art students than usual, and Maya’s work stands out,” says Kathy Ciaccia, LMHS art department director.

Dula of Lancaster is the daughter of Michele and Andrew Dula and she has one brother. She attends Blossom Hill Mennonite Church where she sometimes plays violin for worship. At school Dula was involved in theater productions, PALs (mentorship program for middle schoolers), the Student Advancement Committee, National Honor Society (as president) and Campus Chorale. She is also employed at Harvest Lane Farmer’s Market, which is adjacent to Landis Homes.

Each year since 1995, Landis Homes selects a piece of artwork from the Lancaster Mennonite High School Spring Fine Arts Festival to become part of a permanent art collection on the retirement community campus. In return for the work, Landis Homes makes contributions to the Lancaster Mennonite School art department and to the student to help further their education. Dula is the 23rd student to receive this award.

Upon receiving the award Dula said, “I plan to use the award to put in my savings for college and to take my friends out to dinner!”

In the fall, Dula is planning to attend Eastern Mennonite University, Harrisonburg, VA, and major in biology.

Generous donors have contributed gifts of all sizes to bring Connections: A Campaign for the Learning & Wellness Center past the $3,000,000 milestone! Thanks to all who have helped to move the campaign closer to the minimum goal of $3.2 million, with potential to go far beyond! To learn about the ways you can be part of this exciting time in the history of Landis Homes, contact Beth Trout at btrout@landishomes.org or (717) 381-3544.
Fellowship Day: A Celebration of Community

By Alonna Gautsche Sprunger, Director of Advancement

It is often said that we take for granted the people and things that make our lives rich and full. We don’t mean to, but it’s incredibly easy to under-appreciate what we experience every day.

During Fellowship Day on September 9, we will take time to celebrate community! We gather as a community to care for our friends and neighbors in need as we raise support for the benevolent ministry at Landis Homes.

A very important way you can help to ensure a successful Fellowship Day, is to become a patron. Your patron gift can be directed in one of two ways!

1. **Covering Auction Expenses** - While businesses and corporate sponsors help to underwrite the largest expense of the big white tent, patron contributions are needed to cover the other event expenses like tents, sound equipment, tables, chairs and stage. The goal is to have all expenses covered so that every dollar raised on September 9 will go directly to the Caring Fund.

2. **Encouraging Bids** – Challenge bids, sometimes referred to as matching bids, spur others to generously bid higher. You can help create excitement by making a commitment to donate a specific amount for a carefully chosen item. After the auction, you will be notified of the sale price and if the item met the challenge bid. Your contribution will be welcomed at that time.

Thank you for inviting family and friends to join and help celebrate community with us on Fellowship Day!

To make a monetary gift, you may call with credit card information, make an online contribution at landishomes.org or send a check to Landis Homes, Advancement Office, 1001 East Oregon Rd, Lititz, PA 17543. Gifts made through these opportunities will receive a charitable receipt for the full amount of the contribution. If received by August 24, donors will be listed as patrons in the Benefit Auction booklet unless we are notified of a request to be anonymous.

**Items for donation may be brought to the Advancement Office, Monday through Friday, 8:00 am – 4:00 pm. For other arrangements call (717) 509-5490 or email advancement@landishomes.org**

**Benefit Auction Website available August 1**

The Benefit Auction Website will be available August 1st. Visit landishomes.org and follow the link to Auction Gallery where you will find descriptions and pictures of items that will be auctioned on September 9th. New items will be added daily. A few examples of items this year:

- 7 night stay in Jackson Gore Inn at Okemo Mountain Resort, Ludlow, Vermont near the Green Mountains, June 29 – July 6, 2018; www.okemo.com
- Two-night rustic cottage retreat in the woods
- Original and limited edition art work by local artists such as Christiane David, Liz Hess, Paris Wyatt Llanso, Lee Lovett, Velma Magill, Kyong Sill Shing, Suk Shuglie, Andy Smith, Julia Swartz, Steve Wilson and more.
- Handcrafts of wood, pottery, stained glass and textiles
- Vintage items and antiques
- Collectors’ treasures and sports memorabilia
- Quilts and wall hangings

**Fill the Gap Challenge at 10:30 am and 1:00 pm**

Fill the Gap has become one of the most anticipated aspects of Fellowship Day. Instead of bidding against each other, the community works together in this fast paced and exciting challenge.

Last year, almost three million dollars of charitable care was provided to 84 residents in need. Despite the help of Medicaid and paying what they can, there is an average gap of $132 per day per resident to ensure necessary high quality care.

- $932 fills the Gap for one person for one week
- $396 fills the Gap for one person for three days
- $132 fills the Gap for one person for one day
- $66 fills the Gap for one person for half a day

A $10,000 challenge gift has been promised when the combined bids reach $25,000, helping to catapult us towards the $40,000 Fill the Gap goal. If you are not able to attend, you are invited to make a gift online at landishomes.org or contact Alonna Sprunger, Director of Advancement, at (717) 381-3580 or asprunger@landishomes.org.

Last winter when resident Dottie Yoder, and Advancement Events Coordinator LaRie Miller, took an inventory of the quilting supplies, they discovered a wide variety of color and patterns among donated scrap material. “These would make a beautiful homespun quilt,” Dottie observed.
The idea sparked a creative journey with many people involved at each stage. After work, LaRie and Dottie cut the pieces and Dottie arranged the colors and patterns. During a March workday in the West Community room, numerous sewing machines buzzed and irons hissed as residents pressed seams and sewed the pieces into 120 quilt blocks.

A Special Day of Golf Benefiting Adult Day Services!

By Alonna Gautsche Sprunger, Director of Advancement

When golfer, Cary Vogt, opened the Landis Homes golf brochure and saw the picture of his friend, Rick Wiggins, who had been an Adult Day Services client, he had an idea. Cary recruited three additional church friends to play in the golf tournament as a tribute to Rick’s life and faith. It was this spirit of honoring and helping others that made Friday, June 2, an awesome day of golf at Foxchase Golf Club.

Cary’s team joined 253 others for the morning and afternoon rounds of golf on a picture perfect day. Together, with 79 business sponsors and patrons, they raised net proceeds of $55,500. This is equal to 804 days of service and helps provide quality ADS services and financial scholarships for eligible clients who would otherwise not be able to participate.

At the closing dinner, Faith Hoover, ADS Director, thanked all who worked and played together to impact the lives of ADS clients and their families. The ongoing generosity of sponsors and golfers continues to provide a safe and meaningful environment for clients and respite for their caregivers.

The next Annual Benefit Golf Tournament will be on June 1, 2018. Thank you for the incredible support!

Rick and Connie’s testimony of how Adult Day Services impacted their lives is featured in the first pages of the golf booklet and at adultday.landishomes.org/resources/testimonials

Two New Directors Begin

This summer Daniel McClain started as the Director of Dining Services and Moniqua Acosta began as the Director of Volunteer Services.

In his new role, McClain will direct and manage all the dining venues across campus, including the new bistro which will open in spring 2018 in the Learning & Wellness Center. He received a B.S. degree in psychology from Messiah College, Grantham, PA, and was certified as a dietary manager at the University of Florida.

McClain has broad management experience in retirement communities and senior living locations. Since 2006, he has been an employee of FLIK Lifestyles which manages the dining program at Landis Homes.

McClain and his wife plan to move to the Lancaster area in the near future. He was born in Lansdale and graduated from Christopher Dock High School. He says his first job was as a dishwasher at Dock Woods Retirement Community (now part of Living Branches). He enjoys cooking, biking, volleyball, collecting primitive antiques and taking road trips.

“I look forward to becoming part of a community in Lancaster County that embraces the founding values of Landis Homes,” says McClain. “I see it as a place where I can build relationships with residents and other associates and grow as a servant leader.”

Beginning in July, Acosta was named the new Director of Volunteer Services. In this role, she gives overall direction to every aspect of the department which involves hundreds of volunteers recruited both on and off campus.

She was most recently employed as Volunteer Services Assistant at Landis Homes since January 2016 with Sue Shirk as the director. Before coming to Landis Homes, Acosta worked for 9 years as Program & Member Services Manager at Mennonite Health Services.

Acosta, who graduated from Lancaster Mennonite School, has a baccalaureate degree in Social Work from Eastern Mennonite University, Harrisonburg, VA, and a Master’s Degree in Social Work from Temple University.

She lives in Lancaster with her husband and three children and serves on many committees for the Manheim Township School District where her children attend. They attend New Holland Spanish Mennonite Church. Acosta also serves as vice chair of the Wellspan Philhaven board.

“I have found Landis Homes to be a wonderful place to work and I look forward to exploring new and creative ways to grow the department so as to provide meaningful experiences for volunteers, residents, resident families and team members,” says Moniqua. “I hope people will call me to find out more!”

Yellow Shirt Day Celebration

A resident committee involved with the new Learning & Wellness Center campaign hosted a celebration they called Yellow Shirt Day in July. Residents and team members were invited to wear a yellow shirt to show appreciation for the High Construction team that is building the new center. There was a gathering of persons near the construction site with comments from President Larry Zook, a prayer for continued safety from Pastoral Services Director Donna Mack Shenk and refreshments for residents and construction workers alike. Follow construction updates on the website at landishomes.org.
Art Reception Features
Local Artist Family

An art reception will be held September 13 featuring the watercolors, acrylics and drawings of local artist Crystal (Shenk) Dull. It will include a range of subject matter including florals, animals, landscapes, portraits and still life. The artwork of her two teen daughters, Breonna and Monica, will also be part of the exhibit.

As owner of Crystal Reflections Art Studio & Gallery in Lititz, she has been in business for 31 years. She is involved with fine art, giclee’ prints, art instruction for ages 6-adult, custom art portraits (of homes, people, pets, etc.) and illustration for commercial and private works.

Dull was born in Lancaster PA, and now resides with her family in Lititz. She received a B.A. in Art with minors in English & Drafting at Millersville University. To view more examples of her work visit CrystalReflectionsArt.com.

The opening reception, to which the public is welcome, will be held from 6:30 to 8:30 p.m. on Wednesday, September 13, in the Harvest View lobby and galleries. The exhibit will continue to be on display through October 2017. For more information, visit landishomes.org or call 717-381-3550.

Guard Against Common Scams that Target Seniors

Financial scams targeting seniors are so prevalent they’ve become the crime of the 21st century, according to the National Council on Aging. Frauds involve identity theft, Medicare, health insurance, prescription drugs, reverse mortgages, sweepstakes, home repairs, romance and investments.

We’ve all heard the sad stories and experienced some of the phone, internet or in-person scam threats. Come hear Brian Roche and learn some practical ways to protect yourself.

This seminar is free and open to the public.
Please RSVP by October 3rd to the Advancement Office: advancement@landishomes.org or 717-509-5490.
