

Year 2000 Report: Benefits for Future

Landis Homes began its work preparing for Y2K in early 1998. The Year 2000 Steering Committee (Ed Longenecker, Linford Good, Clyde Espigh, Ruth Johnson, Chris Kennel, Stu Landis, Larry Zook) worked throughout 1999 on assessing Year 2000 readiness, remediating problems where found, and identifying general contingency plans in the event of interruption of supplies or services. Two resident gatherings were also led by Bank of Lancaster County and by Paul Dagen, who spoke on the Christian Perspective on Y2K.

As we approached the New Year amidst media coverage of potential panic and other problems, Ed Longenecker noted appreciation for "the mature and calm demeanor of residents during this time, reflecting a very Christian attitude of faith and trust in divine providence." He also expresses appreciation to all for

the spirit of cooperation that was evident.

Many experts have begun to project the benefits of the work that has gone into preparing for Year 2000. For example, at Landis Homes significant effort by many staff has gone into implementing a new information system, AIM, which provides greater flexibility in meeting our long-range information needs. While these changes were precipitated by Year 2000 concern, they will provide many benefits in the future.

Barbara Cooper, R.N. who serves as Director of Staff Development and Quality Assurance was honored at the staff Christmas banquet in December for completing 30 years of service. Above, Ed Longenecker presents her with a pin and gift certificate for her accomplishment. Barbara following the awards said, "I can't believe I've been here 30 years. It's been neat to see the growth and progression over the years while still maintaining quality of life and care." For more of staff length of service awards, see page 4.

A Commitment to Excellence

New Year – One in a Thousand

Moving to the year 2000 is significant. Some would argue that it is just another year and not worthy of all the fuss. I disagree. I think it is quite a unique point in history. We have been privileged to bridge the gap between the two centuries as well as two millennia. That opportunity won't occur for another 1000 years.

Over the holidays we had our family picture taken. As is usually the case, the photographer worked hard to get the whole family posed and looking their best. Perhaps we'll look back someday and say, "That's what we looked like at the end of the last century".

Rhoda and I love our family of four children and the wonderful energy and excitement of grandchildren. As I look back I have such fond memories of those growing-up years. But we are experiencing change. This year our youngest son, Brad, officially becomes an adult. He will turn 21 years of age and no longer lives at home. We are officially "empty nesters" and alone in the house after almost 34 years. Can you keep a secret? We actually like the empty nest! Now our children's returns to our house are

celebrated events. We love our family just the same. But we have experienced transition.

As our families grow and change we become something different than yesterday. The family pictures of tomorrow will look quite different but always unique and special to us. The pictures of Landis Homes will also look different in the new century than in its past 35 years. Our goal is to continually reshape Landis Homes as a dynamic organization committed to its roots and mission. As an organization of high standard of care and quality, pray that we would also seek God's guidance as we experience continued transitions.

Brubaker, Groff Join Board of Directors

Dr. J. Kenneth Brubaker and Dorothy A. Groff have joined the Landis Homes Board of Directors. Dr. Brubaker returns to the Board after a one year respite. He

is a physician with Norlanco Medical Associates and serves as Medical Director at Masonic Homes, Elizabethtown. Mrs. Groff worked as a nurse and lives at Landis Homes. She serves as one of two residents who participate as full members of the Board.

Another resident Board member, Mildred McGuigan, has completed her two year term of service. Glen Hostetler, Board chairperson, says "Mildred faithfully represented the concerns of residents and participated in the full range of Board concerns and issues." Board members appreciated her first-hand awareness of the needs of healthcare residents as her husband lives in Lancaster House of Heritage Healthcare at Landis Homes.

Board Chair Glen Hostetler presents a framed photo of the board to retiring member Mildred McGuigan at the Christmas banquet.

New Director of Development

Cathy Yoder joined Landis Homes in January as Director of Development. Her responsibilities include the annual appeal for the Resident Assistance Program, planned giving such as gift annuities, benefit events such as the golf tournament and future capital campaigns.

Cathy comes to Landis Homes with extensive experience in retirement communities. She has held positions in marketing, administration and social services at several retirement communities, including Tel Hai in Honey Brook and Dock Woods in Lansdale. Cathy says "It feels like I am coming back home. My heart is with the Mennonite communities."

Cathy Yoder, Director of Development

She attended Houghton College and graduated from Millersville State College with a degree in social work. Cathy lives in Lancaster with her husband Nick and two sons. Bobby, age 15, and Brian, age 12, attend

Lancaster Christian School. The family attends Reformed Presbyterian Church in Ephrata.

Cathy grew up in Blue Ball and graduated from Garden Spot High School. She enjoys flower gardening, lawn work, cooking and reading.

Landis Homes Honors Employees

The Landis Homes Staff Christmas Banquet was held in December at Yoder's Restaurant to honor employees celebrating milestone anniversaries. Forty-nine persons were honored for achieving from five to 30 years of service at the retirement community.

Everyone enjoyed a delicious meal and time of fellowship. Grace Wenger presented a program entitled "Landis Homes...The Early Years". This was a reflection through pictures and stories from those who served in the early years as part of Landis Homes' year-long anniversary theme of "Celebrating 35 Years of Service".

As persons came forward to receive their pin and gift certificate Director of Human Resources Allen Heinly made a few comments about their work and personal lives.

In presenting the awards, Heinly said, "We are blessed to have a large number of dedicated staff who have committed to serving for a significant period of time. This brings stability and quality to the care that is provided for residents and clients of Landis Homes."

Staff present at the banquet receiving awards for 15 years of service or more are: Barbara Martin, Susan Voth, Barbara Cooper, Elsie Leininger. Back row: Elaine Hollinger, Nancy Pawling, Esther Zimmerman, Rachel Lutz, Don Good.

Instead of a Present

The daughter of a Landis Homes resident sent the following note with her Memorial Gift.

"My mother asked that I make a donation in memory of my father instead of buying a Christmas present for her. Supporting the Caring Fund has been very important to her for many years."

This commitment to The Resident Assistance Program is representative of many others here at Landis Homes. This is part of what makes Landis Homes such a caring community. Giving gifts in honor or in memory of a loved one may serve as a two-fold blessing. On one hand these gifts are a means of expressing regard for the person or family we want to remember. On the other hand this gift is a wonderful opportunity to assist other residents in their time of financial need.

If you have any questions or would like to learn more about helping those with financial need through a tribute to a loved one, please call Cathy Yoder at the Development Office at 569-3271.

Freestyle to...Norfolk, VA and Beyond

Beginning in June 1999 pool participants, residents and community users began their simulated swimming journey from Lititz, PA to Baltimore, MD. The 80-mile swim which is charted on a posted map in the pool area began in the Conestoga River to the Susquehanna River ending in the Chesapeake Bay. Then the group swam 40 miles to equal the distance from Baltimore, MD to Washington D.C. by way of the Patapsco River to the Anacostia River ending in the Potomac River. The journey will finish up by continuing 150 miles to Norfolk, VA. (It takes 43 laps in the pool to equal 1 mile.) It is a group effort to reach each chosen destination, with one lap being just as important as 15 laps. Participants can either swim or walk laps at his/her own pace, and all are welcome to participate.

The group continues to grow as they encourage one another and each individual has increased his/her en-

duration. A special celebration was held to honor participants for their accomplishments. Melanie Mascarenas, pool and exercise coordinator stated, "It is very exciting to see the group reach its goals and have fun exercising! Participants are arriving early or are staying after regular class times to do their laps. They are an inspiration to us and we are very proud of each of them! Many of them have shared that they are excited to be reaching their goals. They never imagined that they would ever be swimming as much as they are and that they would be feeling this great!" The group has been so successful that they have decided to keep swimming and are planning a simulated swim equal to the distance around the United States via waterways.

Resident swimmers are: Harvey Beiler, Miriam Bell, Luke Bomberger, Catherine Esch, Lois Eshelman, A. Grace Graybill, Lloyd Gerhart, Winifred Green, Harold Housman, Jim LeVan, Mildred McGuigan, Doris Smith and Franklin Smith.

Off-Campus swimmers are: Arthur Boronow, Betty Ciccarelli, Verna & Wes Clemmer, Helen Cook, Kathryn Eby, Kathy Gehman, Gerry Gontz, Reba Gottscho, Betty Gurtizen, Martha Hess, Carolyn Horst, Jim Kane, Naomi & Paul Lehman, George Messiner, Abe Martin, Jean Nivin, Sally Pugh, Joe Schreder, Harvey Sick, Shelly Vanderpool, Lavina Weaver, Phyllis Davenport and Christy Wagner.

Staff swimmers are: Valerie Clemmer, Melanie Mascarenas and Daphne Saks.
