To all Personal Care Residents and Families,

Landis Homes is committed to being transparent in keeping residents, families, team members and our community aware of changes related to COVID-19. We want to reassure everyone that we are acting on this fluid situation.

This letter is to inform you that today we learned that a team member tested positive for COVID-19. The team member last worked on Tuesday, January 19 and developed symptoms on Wednesday, January 20. Based on this information, Aspen will go to YELLOW zone. Residents of Aspen will be tested with Point of Care tests.

All of Personal Care must now revert to the prerequisite stage of the reopening plan. We understand that it is difficult not to have the level of interaction we were all beginning to enjoy but it is important that we do all we can to keep the virus from spreading.

Thank you for trusting us with your care. You are a blessing.

We invite you to check the Landis Home website for regular COVID-19 updates. Family and friends have access to videos and written information at www.landishomes.org/covid/.

Residents and family members may contact Jenny Sheckells with questions or concerns at jsheckells@landis.org or 717.381.3573.

Michelle Rassler
Executive Director
Landis Homes
