Places to Honor and Remember Loved Ones

Prayer & Memory Garden

The Prayer & Memory Garden, located just outside the West Bethany Chapel lobby, is a special place. In the garden, families, residents, staff and visitors can enjoy the peacefulness of nature and remember their loved ones in quiet meditation and reflection.

Engraved bricks and pavers with the names of loved ones and messages that commemorate their lives can be placed in the garden. Your loved one's ashes can also be scattered in the garden as their final resting place.

The Prayer & Memory Garden was made possible in 2007 through a generous gift from Mildred McGuigan in memory of her husband, Chester, and a contribution from the Landis Homes Auxiliary. In 2020, the children of Chester and Mildred refurbished the plantings and benches to enhance the peaceful surroundings we experience today.

Across Landis Homes Campus

The Tribute Wall in Leaman Woods allows you to honor a loved one with a personalized plaque in a quiet, wooded setting. This peaceful space invites reflection, and each plaque becomes part of a lasting legacy.

Memorial Benches can be placed in select areas of campus, each featuring a commemorative plaque. These benches offer a restful spot for visitors to pause, reflect, and remember loved ones.

Tree Plantings provide a living tribute in memory of someone special. Located in designated areas across campus, these trees grow and flourish as a lasting symbol of life, renewal, and remembrance.

After expenses, your commemorative gift supports the Caring Fund Endowment. Earnings from this endowment provide benevolent assistance to residents of Landis Homes whose personal resources have been depleted due to long-term healthcare needs.

Suggested donation amounts include support for the Caring Fund Endowment.
